## Conference

I have been charged in an indictment with violations of federal law. I understand that I have a right to be Ш

	present at all conferences concerning this indictment that are held by a judge in the Southern District of New York, unless the conference involves only a question of law. I understand that at these conference the judge may, among other things, 1) set a schedule for the case including the date at which the trial will be held, and 2) determine whether, under the Speedy Trial Act, certain periods of time should be properly excluded in setting the time by which the trial must occur. I have discussed these issues with my attorned wish to give up my right to be present at the conferences. By signing this document, I wish to advise the court that I willingly give up my right to be present at the conferences in my case for the period of time in which access to the courthouse has been restricted on account of the COVID-19 pandemic. I request that my attorney be permitted to represent my interests at the proceedings even though I will not be present.
